

The Four Horses of Revelation

Analyzing the
Greek and Hebrew

Hebrew Thought is Cyclical

- Sabbath – weekly
- Rosh Chodesh (new moon) – monthly
- Feasts – yearly
- History - repeats

Original Greek and Hebrew

- The Bible is a Jewish book, written to Jewish people, about Jewish events
- When defining a word, go to the original Greek or Hebrew for its meaning
- Let's look at the Four Horses of Revelation from the original Greek and Hebrew

Revelation 6

- This is the opening of the first four Seals
 - First Seal - White horse
 - Second Seal - Red horse
 - Third Seal - Black horse
 - Fourth Seal - Mottled (green) horse

Background

- Does anyone know the Hebrew name of Jesus?
- We usually say “Yeshua”
- Yehoshua
- What does Yehoshua mean?
 - “YHVH is Salvation”
 - It was changed to “Jesus” when translated from Hebrew or Aramaic to Greek to Latin to English

Jesus = Yahoshua

- Yahoshua = Joshua
- There is a whole book written about Him!
- Why then have we used “Jesus”?
- I believe it has Prophetic significance for the times we are in

Jesus

- You can't find the name "Jesus" anywhere in the Tenach or the Aramaic New Testament
- It is not a Hebrew word
- But the WORD Jesus is in the Old Testament

"Hesus"

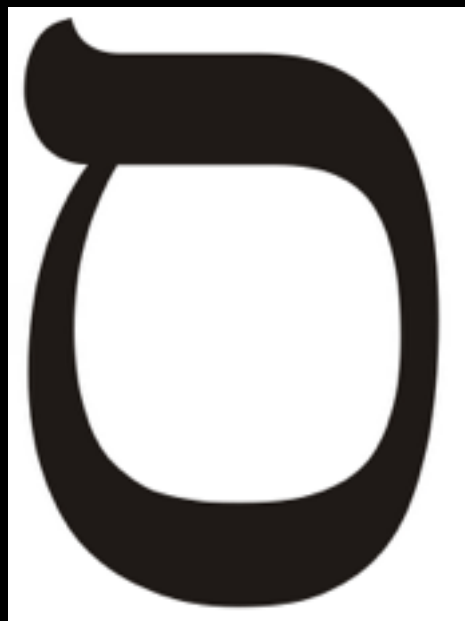

Hesus means...

Horse

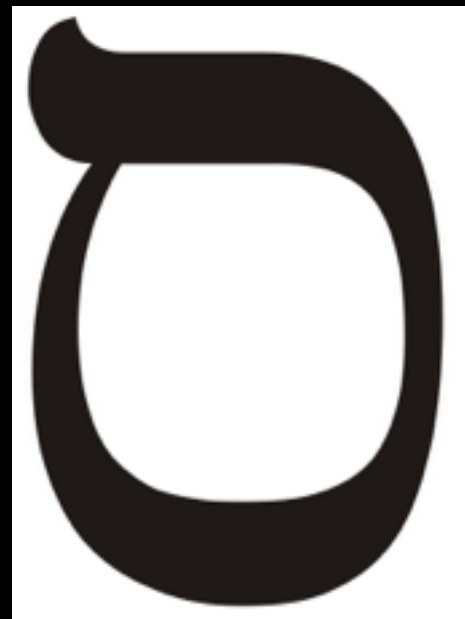

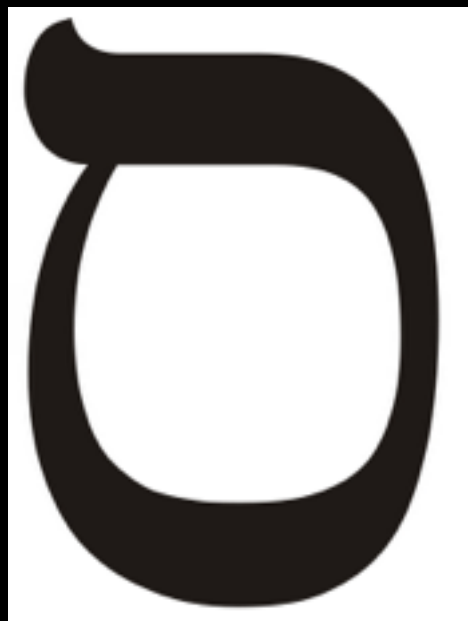

Hesus

- "heySoos"
- Greek= "IeSous"-
- English= "Jesus"

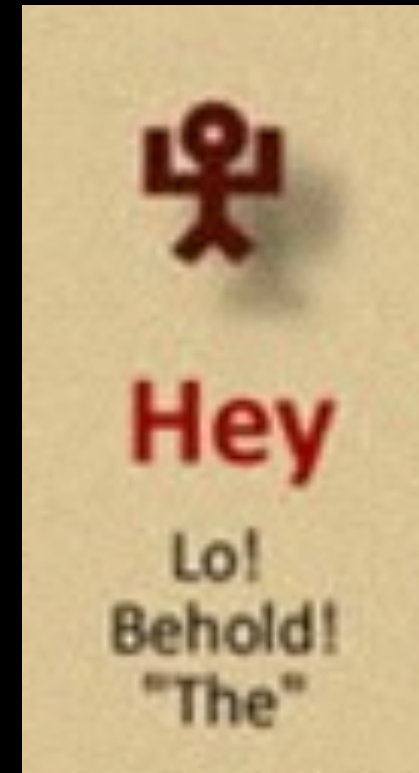

Horse

- Soos - Samech, Vav, Samech
- It is used in various ways in Hebrew
- Normally a sign of battle or military strength

Paleo

- Hesus - Hey, Samekh, Vav, Samech
- Hey - Revelation, Look, Behold
- Samekh - a Shield or Thorn
- Vav - Nail, Connector, Tent peg, a man

Samekh

- Samekh - a Shield or Thorn that holds something up. To lean upon, uphold, support.
- Negative: to grab, to hate, twist
- The Hesus can be negative
- and positive

Hesus

- Behold the nail connecting the shield with the twisting deception

Samekh

Hand on Staff
Support
Prop

Vav

Nail
Peg
"And"

Samekh

Hand on Staff
Support
Prop

Hey

Lo!
Behold!
"The"

Hesus

- Used only 11 times in the Tenach
- “Hesus” is used in prophetic stories
 - 1 & 2 Kings - battles with Aram
 - Esther - Hadassah = Myrtle Tree
 - Amos - Day of the Lord
 - Zechariah - this is how I got to the horses of Revelation

Hesus in Esther

- Esther 6:10, 11
- Then the king said to Haman, "Take quickly the robes and the horse (Hesus) as you have said, and do so for Mordecai the Jew, who is sitting at the king's gate; do not fall short in anything of all that you have said."
- So Haman took the robe and the horse (Hesus), and arrayed Mordecai, and led him [on horseback] through the city square, and proclaimed before him, "Thus it shall be done to the man whom the king desires to honor."

Hesus in Zechariah

- Zechariah 14:20
- In that day there will [be inscribed] on the bells of the horses (Hesus), "HOLY TO YHVVH." And the cooking pots in YHVVH's house will be like the bowls before the altar.

Horse in Zechariah

- Zechariah 1:8
- During the night I had a vision, and there before me was a man mounted on a red horse. He was standing among the myrtle trees in a ravine. Behind him were red, brown and white horses.

Horse in Zechariah

- Zechariah 1:8
- There were **Four Horses (soos)**
- They were in a myrtle grove
- Zechariah 6: Four Horses (Hesus) pulling chariots
 - white, black, red, mottled
- Where else do we see these Horses?

Let's look at Revelation 4

Translated into Greek & Hebrew

- Revelation 4 - The Four Horses
- What would the Horses (Hesus) represent?
- The Hesus horse is a prophetic look at the modern day Jesus/Church
- Possibly the church of Laodicea

The Hesus/Jesus Church

- Yeshuah's Hebrew name is Yahoshuah (Joshua)
- His name was changed by Constantine in the 4th century
- Constantine was a sun-god worshipper
- He incorporated many pagan gods and traditions into the Faith
- Mainland European Druids worshipped Hesus, but spelled it "Esus"
- Constantine adopted the name and applied it to Yeshuah

The Hesus/Jesus Church

- Constantine created the Roman Imperial Church
 - He changed God's day from Sabbath to Sunday
 - He outlawed the Feasts of the LORD and replaced them with Easter and Christmas
 - He declared that the Torah (Law) was done away with
 - He created "Replacement Theology"
 - The Jews were replaced by the Church

The Hesus/Jesus Church

- The Hesus Church of today still worships Yahshuah of the New Testament
- But they still include Constantine's changes:
 - "The Law (Torah) is done away with. It is all about Love now."
 - "The Torah (Law) and the Feasts was only for the Jews. It is not for us."
 - "The Church has replaced the Jewish people. He is no longer working with them."

The Hesus/Jesus Church

- “We need to be ‘Tolerant’ of people, not condemning!”
- “We are under Grace now. You don’t need to change. Jesus accepts you just as you are.”
- “There is nothing left for you to ‘protest’ anymore. We are all saved by faith. It is time for you to come home (to the Catholic church)”
- “We all worship the same God. He just uses different names.”

Profits help fight hunger, fascism, and social injustice

What Does the Hesus Horse Represent?

- A Roman Imperial Church that has watered down the Gospel & removed anything Hebraic
 - The Law is done away with - it is all about LOVE
 - “Greasy Grace” - Jesus accepts everyone just the way they are without repentance from sin.
 - Replacement Theology
 - CoExist Theology - including “crislam”
- We are all worshipping the same god.

The White Horse

- Revelation 4:1 - The White Horse
- I watched as the Lamb opened the first of the seven seals. Then I heard one of the four living creatures say in a voice like thunder, "Come!" I looked, and there before me was a white horse! Its rider held a bow, and he was given a crown, and he rode out as a conqueror bent on conquest.

The White Horse

- Interpretation: The rise of militant homosexuality.
- The militant homosexual agenda rode in on the “Love and Acceptance” of this modern “Hesus” Church.
- The Law is done away with - it is all about LOVE
- “LOVE WINS...”

The White Horse

- Interpretation: The rise of Islam as a dominant influence
- White - Hebr. "Laban" - white, bricks
- Laban, the father-in-law of Jacob
 - Laban was from Aram - Syria
 - He was very duplicitous "the master of impostors"
- The "Mahdi" will ride in on a white horse as a sign of authority
- Islam and Homosexuality connection

The White Horse

- This represents the rise in power of the homosexual agenda to destroy the Judeo-Christian foundation of both the U.S. and Israel.
 - Includes the recent Supreme Court decision on same-sex marriage
- Next - Pedophilia as an “alternative lifestyle”
- Islam does not allow homosexual relationships, but does allow & encourage pedophilia
 - child brides as young as 8 or 9
 - young boys as an “outlet” for their urges

The Red Horse

- Revelation 4:3 - The Red Horse
- When the Lamb opened the second seal, I heard the second living creature say, "Come!" Then another horse came out, a fiery red one. Its rider was given power to take peace from the earth and to make people kill each other. To him was given a large sword.

- Megas Machaira
- Gr #3162 máchaira: a slaughter-knife
- Gr #3173 megas: can also mean “great” as in of great weight, or authority; influential

The Red Horse

- Interpretation: The rise of militant Islam.
- ISIS. The “influential slaughter-knife” is “a short sword or dagger mainly used for stabbing; (figuratively) an instrument for exacting retribution”.
- Red in Hebrew is “Edom” = Palestinians
 - Palestinian attacks in Israel
- Worldwide Islamic invasion riding in on the **compassion** of the “Hesus” church
 - Taking in Muslim “refugees”
 - Europe and U.S. will be overwhelmed

The Black Horse

- Revelation 6:5, 6
- When the Lamb opened the third seal, I heard the third living creature say, “Come!” I looked, and there before me was a black horse! Its rider was holding a pair of scales in his hand. Then I heard what sounded like a voice among the four living creatures, saying, “Two pounds^a of wheat for a day’s wages,^b and six pounds^c of barley for a day’s wages,^d and do not damage the oil and the wine!”

- Scales: Greek #2218 zugos: a yoke, a heavy burden

Jeremiah 28:13-14

"Go and speak to Hananiah, saying, 'Thus says the LORD, "You have broken the yokes of wood, but you have made instead of them yokes of iron." For thus says the LORD of hosts, the God of Israel, "I have put a yoke of iron on the neck of all these nations, that they may serve Nebuchadnezzar king of Babylon; and they will serve him. And I have also given him the beasts of the field.'""...

The Black Horse

- Interpretation: the Yoke of Sharia Law
- The imposition of Shariah law on the world economies under the control of the U.N. This is the “iron yoke” that is heavy - the yoke of Shariah.
 - Sharia controls who can buy or sell & taxes nonbelievers into poverty
- The U.S. has become a “lawless” society
- If the Law/Torah is done away with or “gone”, there remains a void.
 - Consequently, another “law” will take it’s place to fill the void

The Green Horse

- Revelation 6:7, 8
- When the Lamb opened the fourth seal, I heard the voice of the fourth living creature say, “Come!” I looked, and there before me was a pale (chlóros: pale green) horse! Its rider was named Death, and Hades was following close behind him. They were given power over a fourth of the earth to kill by sword, famine and plague, and by the wild beasts of the earth.

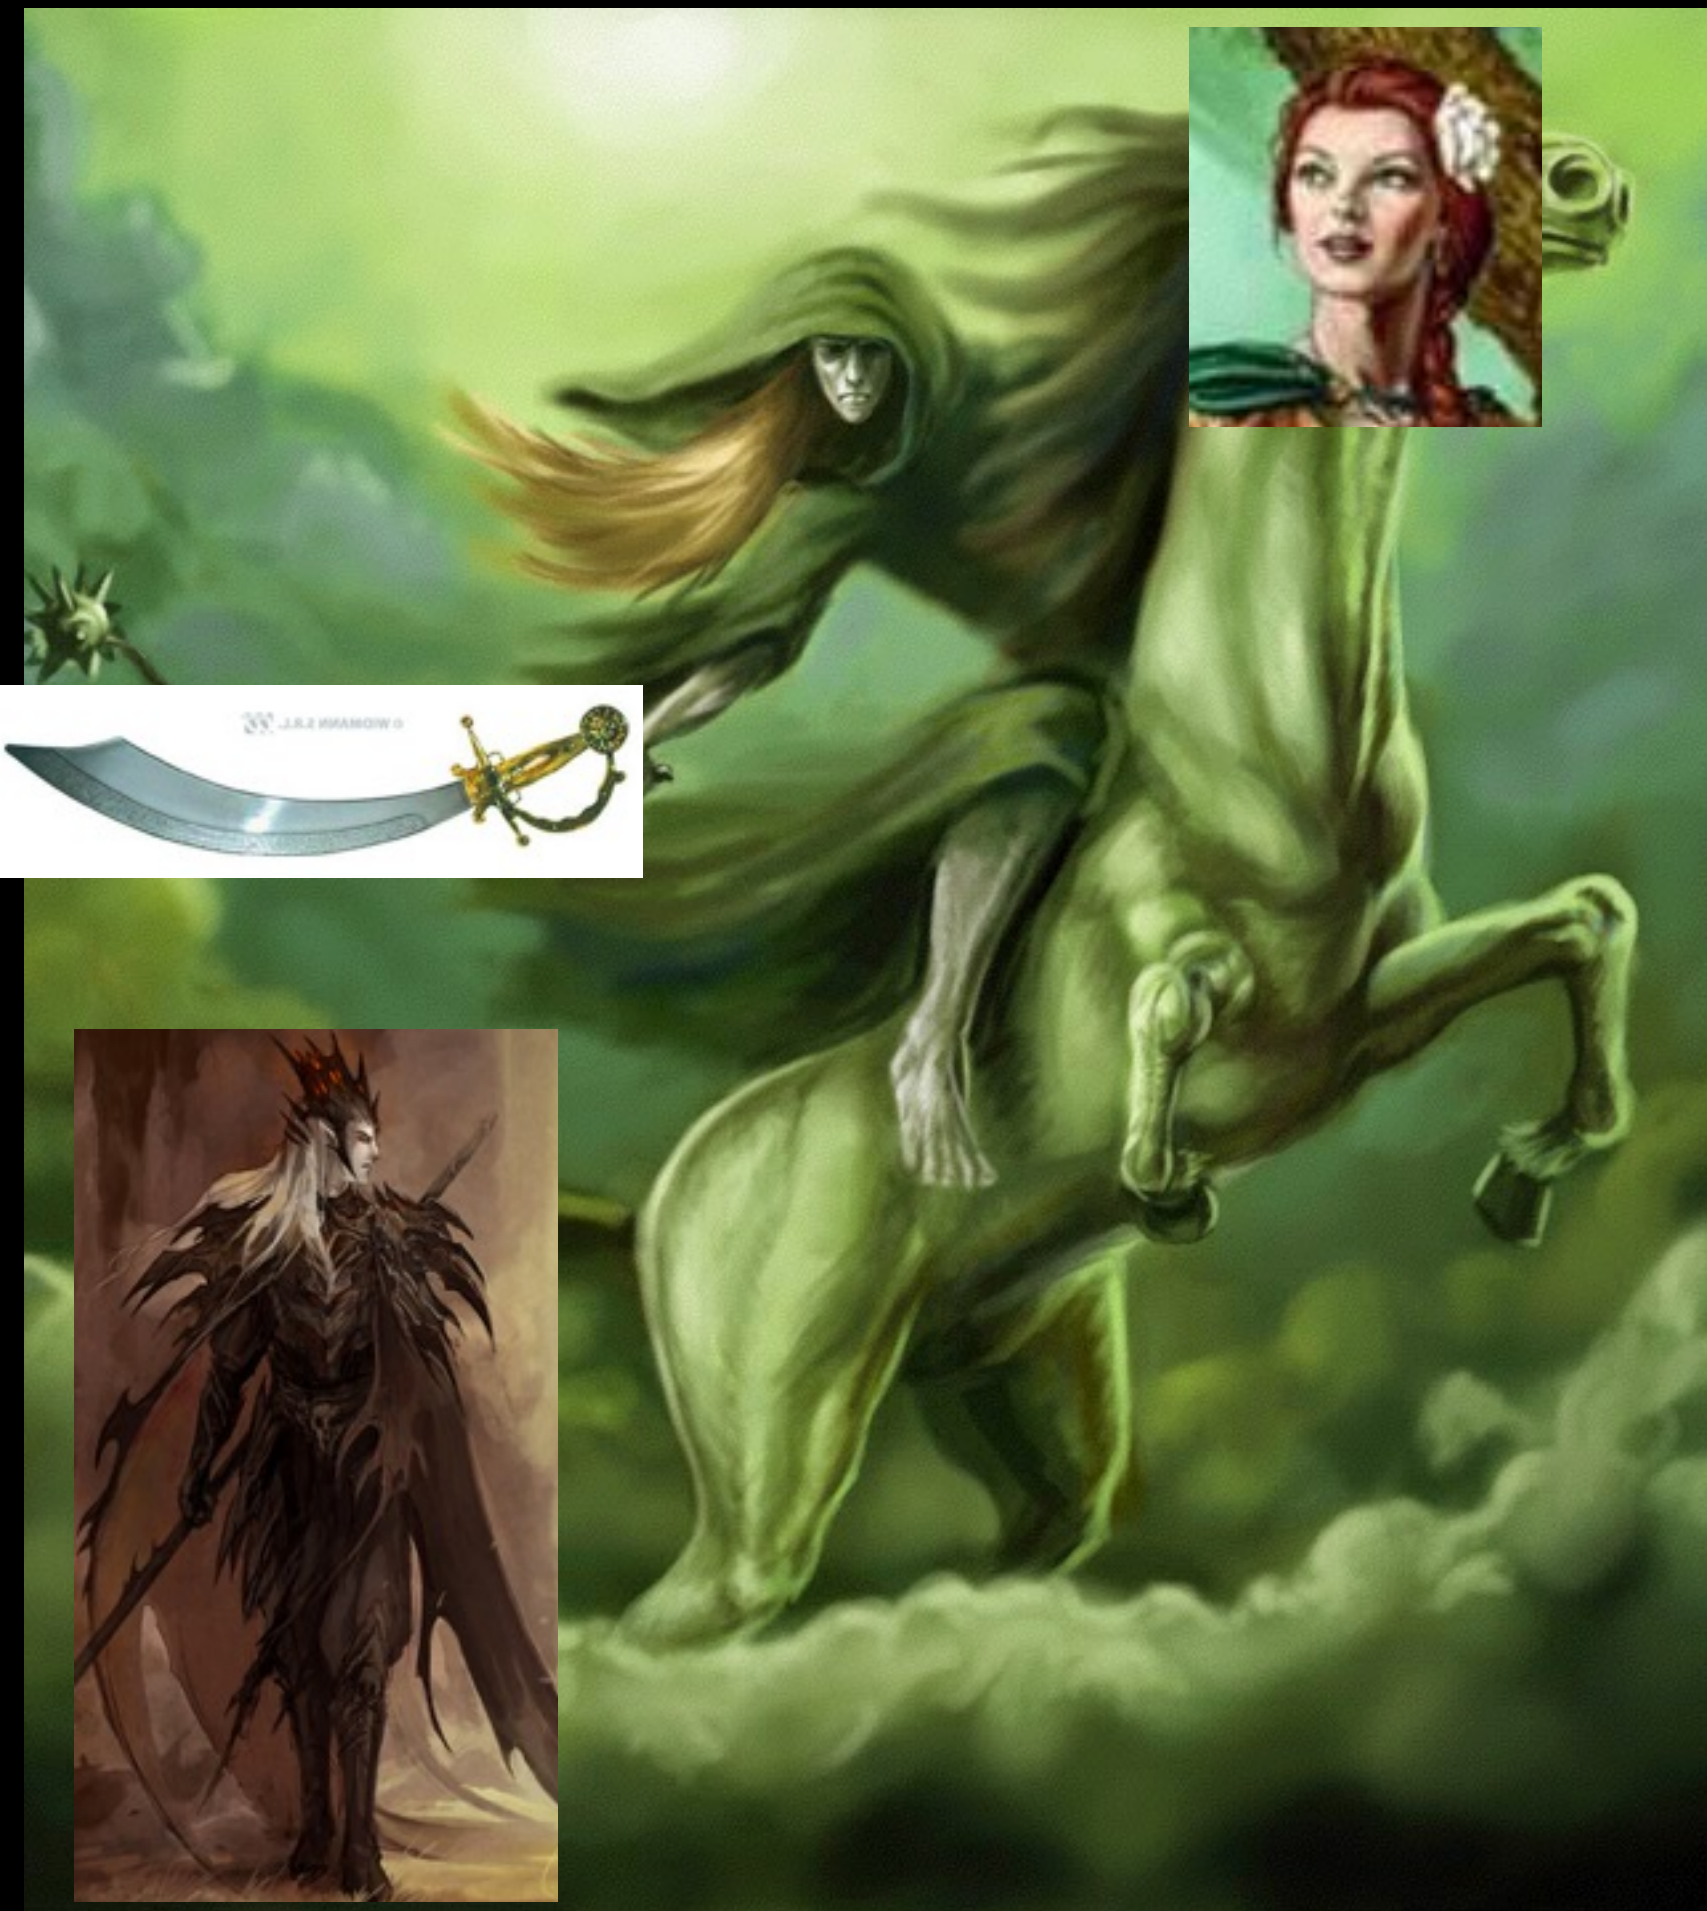

The Green Horse

- Green: chlóros.
- From Gr Chloe: Demeter the goddess of the harvest, who presided over grains and the fertility of the earth; agriculture and fertility
- The goddess of the “Mystery Religion”
- Also a daughter of Gaia the Earth goddess
- Story of Demeter

- Demeter is the “Climate Change horse”
- “The Death” even Hades the god of the underworld “attended” her as a consort
- Power, authority was given to them over a fourth of the land/world, to kill with a scimitar

The Green Horse

- The rider is Islamic world dominance
- Power/ authority was given to them over a fourth of the land/world, to kill with
- a sword: scimitar (Greek rhomphaia synonymous with finality or dominance)
 - This time it is a large sword
- and with famine
- and with death/pestilence
- and by the “unclean wild beasts”
 - (Hebr. behemah - cattle) of the earth.

The Green Horse

- Interpretation: One World government through the U.N. Climate Change resolutions
- Islamic nations now control the U.N.
- Islam will establish a global caliphate - the scimitar (rhomphaía) is "a large, broad sword" that both cuts and pierces – an imposing sword, synonymous with finality (dominance).
- De-Population: This will include a world-wide famine, water shortages, and GMO-engineered superbugs.

The Green Horse

- How does this Islamic rider come in on the back of the “Hesus” church?
- “There is nothing left for you to ‘protest’ anymore. We are all saved by faith. It is time for you to come home (to the Catholic church)”
- “We all worship the same God. He just uses different names.”

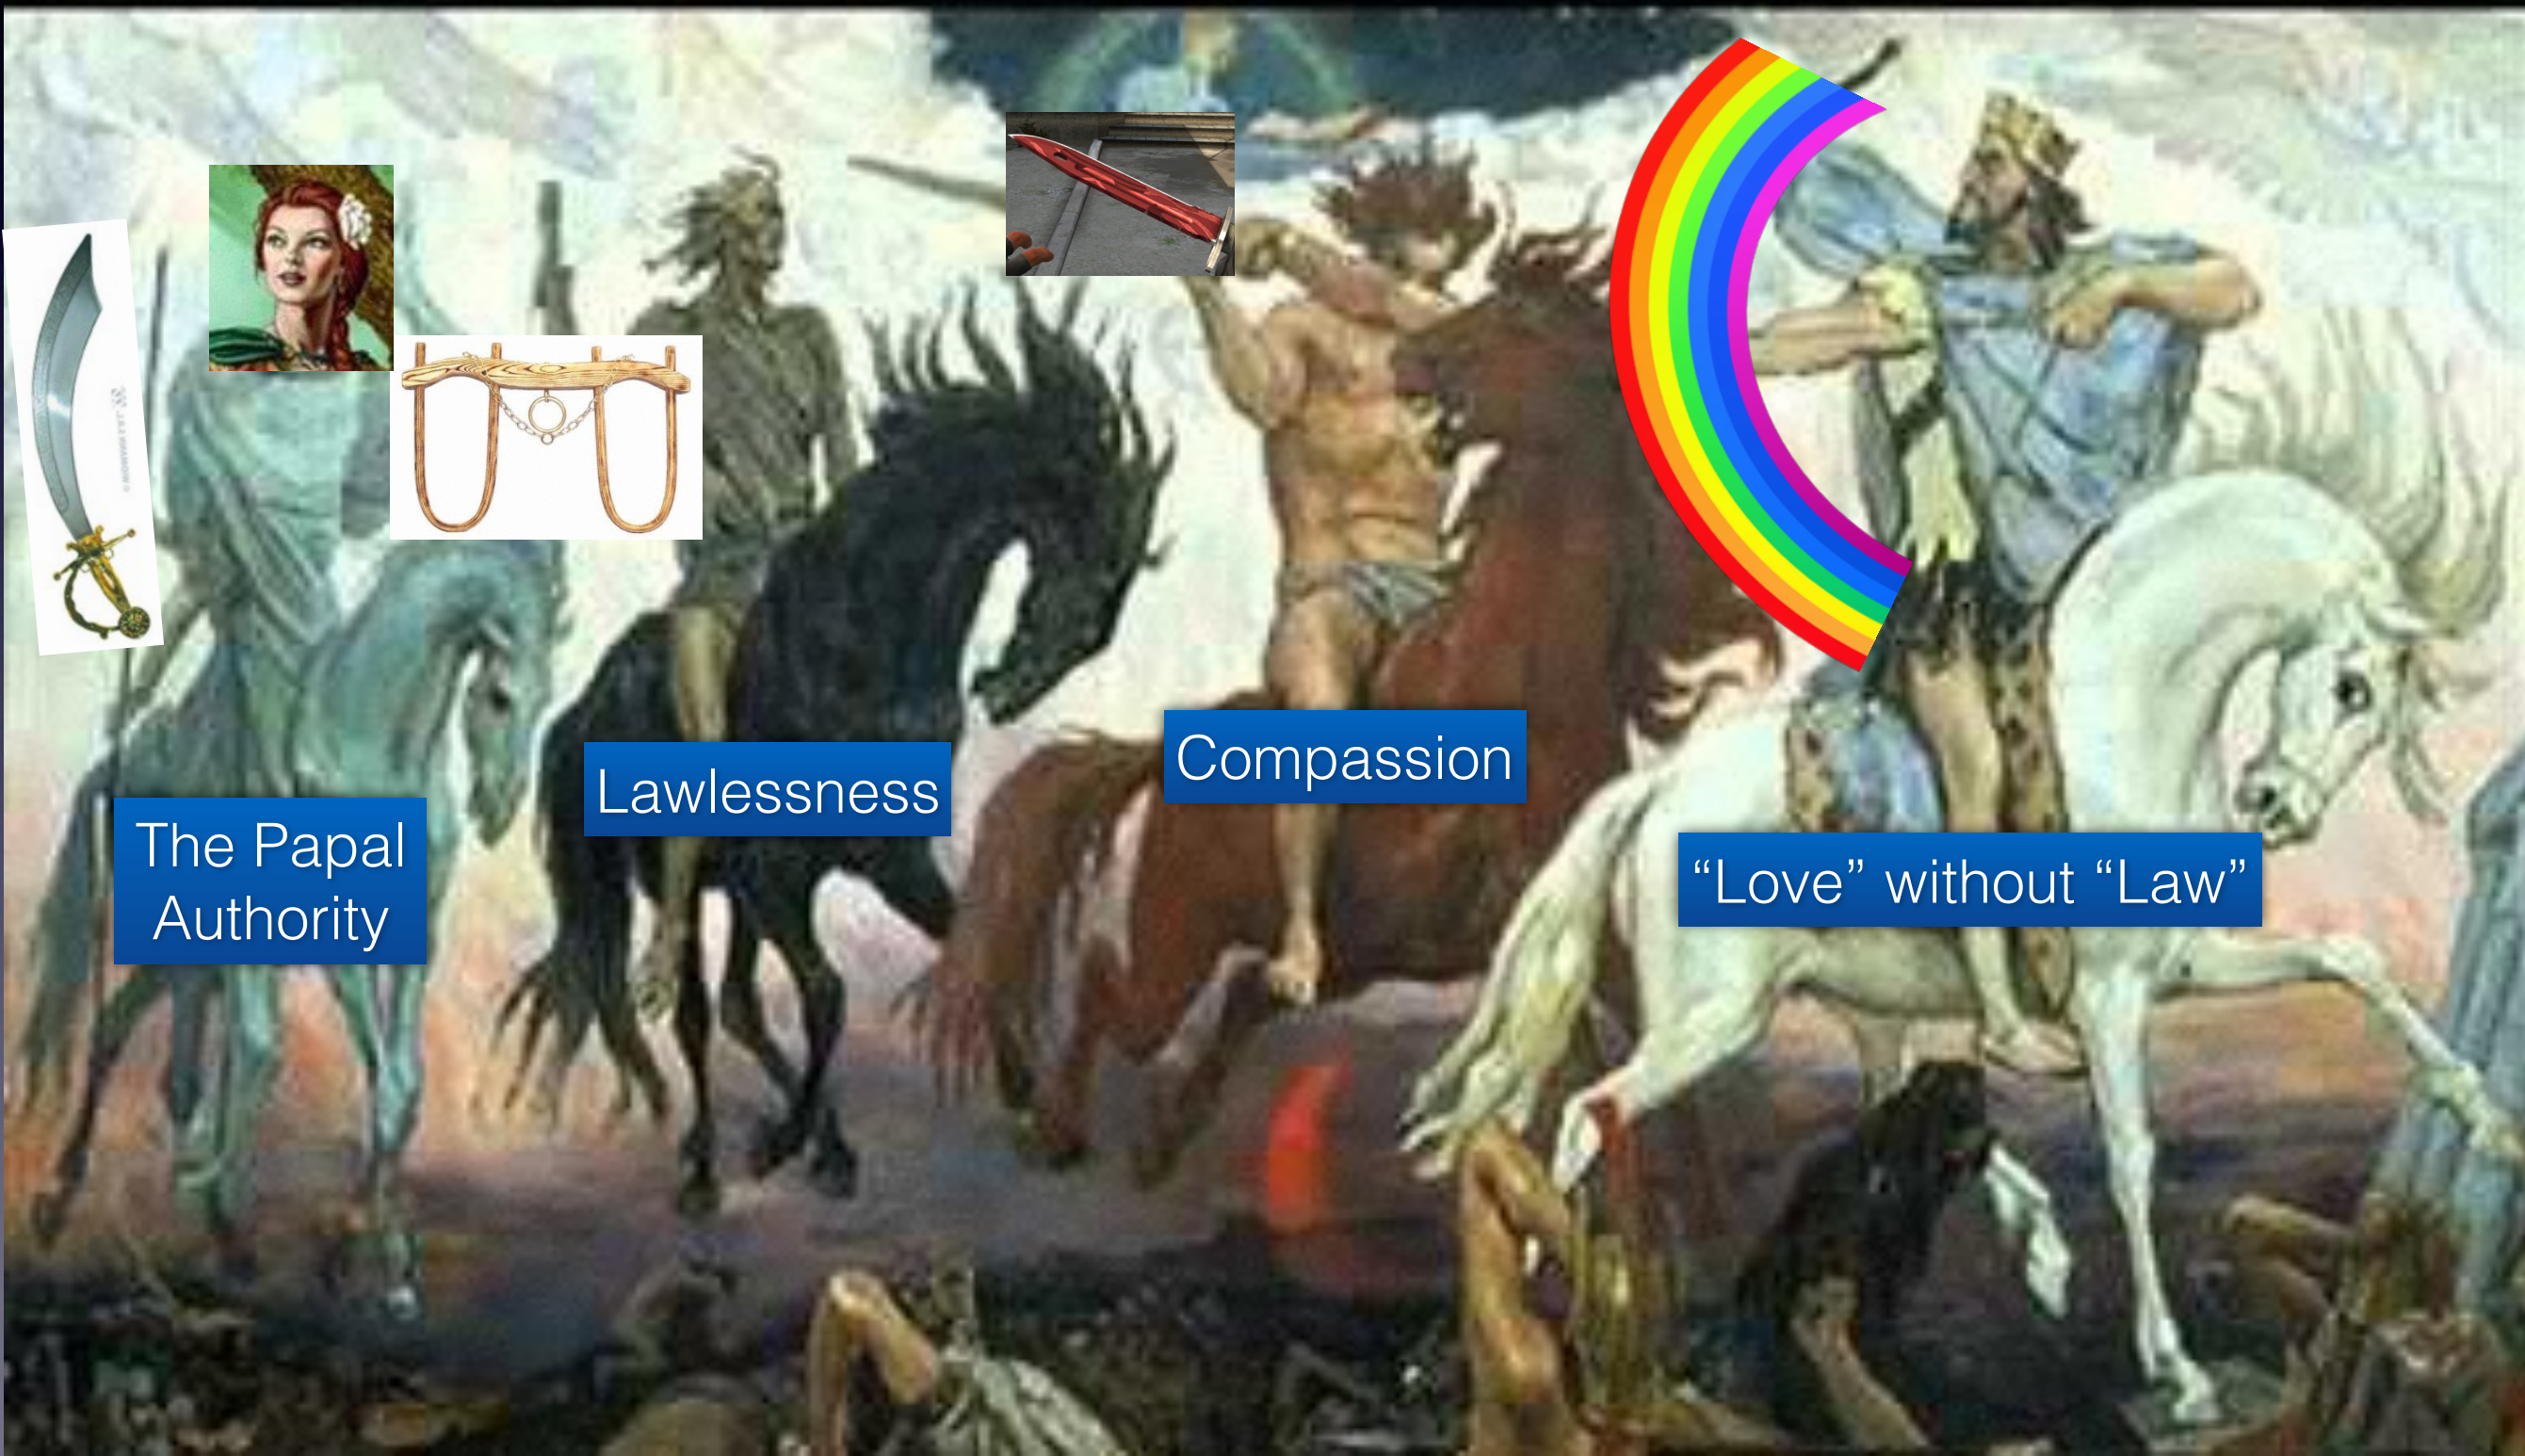

The Green Horse

- The Pope said we must step up this dialogue to create an “authentic alliance” that can bring about effective environmental agreements.
- Francis is going to preach on the need to massively reduce the world’s population, stopping climate change, and having a One World Government to rule the planet.

The Four Horsemen

The Papal Authority

Lawlessness

Compassion

"Love" without "Law"
